

HONG KONG BAPTIST UNIVERSITY
Task Force on Research Student Training Framework

Research Student Development Activity (For AY2026/27)

1. Activity Title

Implementation of Dangerous Goods Ordinance (DGO) in HKBU

2. Offering Department/ Unit

Estates Office

3. Target Student Group (e.g., All students, Research Postgraduate students)

Research Postgraduate Students

4. Delivery Method (e.g., workshop, lecture, seminar)

Online training in Moodle

5. Duration & Total No. of Hours (e.g., 2 hours per session per week for 3 weeks = Total 6 hours)

0.5 Hours

6. Aims & Objectives

Aim to provide participants with a comprehensive overview of the legislative framework of Cap. 295 Dangerous Goods Ordinance (DGO), including dangerous goods classification, exempted and licensed quantities, and control measures for purchasing dangerous goods. The program will also cover current DG storage facilities, essential safety measures for their use, and practical skills in reading and interpreting Safety Data Sheets (SDS). Finally, the course will introduce the operation procedures for Dangerous Goods Management Systems (DGMS) to support safe and compliant handling of dangerous goods.

7. Expected Development Outcomes or Knowledge/Skills Attainment

Ensure the research postgraduate students to apply DGMS operations and the DGO requirements for laboratory work by achieving at least 80% in an assessment, valid for two years.

8. Expected Graduate Attributes Attained

[Input will be sought after the University completes the review process]
