

**HONG KONG BAPTIST UNIVERSITY**  
**Task Force on Research Student Training Framework**

**Research Student Development Activity**

**1. Activity Title**

Technology-assisted Research Proposal Writing

**2. Offering Department/ Unit**

Language Centre

**3. Target Student Group (e.g. All students, Research Postgraduate students)**

All RPgs

**4. Delivery Method (e.g. workshop, lecture, seminar)**

Workshop

**5. Duration & Total No. of Hours (e.g. 2 hours per session per week for 3 weeks = Total 6 hours)**

2 hours per week for 2 weeks = Total 4 hours

**6. Aims & Objectives**

This workshop is designed to equip research postgraduates with the essential skills and strategies required to craft a compelling research proposal. Through interactive and hands-on activities, participants will learn how to clearly articulate their research objectives, craft a robust methodology, and effectively communicate the significance and potential impact of their work. By the end of the workshop, participants will have the confidence and knowledge needed to develop a strong, well-structured proposal that can secure funding and support for their research projects.

**7. Expected Development Outcomes or Knowledge/Skills Attainment**

By the end of the workshop, students will be able to:

- Explain the research question/objectives in a compelling way
- Construct a detailed, feasible, and well-justified research methodology
- Effectively communicate the originality, significance, and potential impact of the proposed research
- Incorporate appropriate literature, theories, and conceptual frameworks into the proposal

- Apply strategies to respond to reviewer feedback and address proposal weaknesses

## **8. Expected Graduate Attributes Attained**

*[Input will be sought after the University completes the review process]*
