

## Project Abstracts for PhD Student Recruitment AY2025/26

Department of Social Work

<b>Project title</b>	
<b>Preparedness of caregiving for older family members in South Asian communities in Hong Kong</b>	
<b>Research Clusters</b>	<input type="checkbox"/> Creative Media/Practice <input type="checkbox"/> Health and Drug Discovery <input type="checkbox"/> Data Analytics and Artificial Intelligence in X ✓ <b>Humanities and Cultures</b>
<b>Keywords</b>	<i>Preparedness, Caregiving, Filial piety, South Asians, Hong Kong</i>
<b>Project abstract</b>	<p>This project will focus on the preparedness of South Asian family caregivers in Hong Kong. By using a mixed-methods approach, it will explore various factors influencing their preparedness with comparisons to Chinese caregivers. The findings aim to provide valuable insights for the development of policies and support services tailored to this specific group, addressing the existing research gap and contributing to the improvement of caregiving practices and the well-being of both caregivers and care recipients.</p>
